

# PHILOSOPHICAL TRANSACTIONS OF THE ROYAL SOCIETY B

Continuing its long history of influential scientific publishing, *Phil. Trans. R. Soc. B* publishes high quality theme issues on topics of current importance and general interest within the life sciences, guest-edited by leading authorities and comprising new research, reviews and opinions from prominent researchers. Each issue aims to create an original and authoritative synthesis, often bridging traditional disciplines, which showcases current developments and provides a foundation for future research, applications and policy decisions.
