Correction to ‘Wide-field optical mapping of neural activity and brain haemodynamics: considerations and novel approaches’

Ying Ma, Mohammed A. Shaik, Sharon H. Kim, Mariel G. Kozberg, David N. Thibodeaux, Hanzhi T. Zhao, Hang Yu and Elizabeth M. C. Hillman

Phil. Trans. R. Soc. B 371, 20150360 (2016; Published 29 August 2016) (doi:10.1098/rstb.2015.0360)

After publication, a mistake was identified in equation (2.7); the denominators in the equation should have a minus sign rather than a plus. The corrected equation is provided here.

\[
\Delta c_{\text{HBR}} = \frac{\xi_{\text{HBO}}(\lambda_1) \Delta \mu_y(\lambda_2) - \xi_{\text{HBO}}(\lambda_2) \Delta \mu_y(\lambda_1)}{\xi_{\text{HBO}}(\lambda_1) \xi_{\text{HBR}}(\lambda_2) - \xi_{\text{HBO}}(\lambda_2) \xi_{\text{HBR}}(\lambda_1)}
\]

and

\[
\Delta c_{\text{HBO}} = \frac{\xi_{\text{HBR}}(\lambda_1) \Delta \mu_y(\lambda_2) - \xi_{\text{HBR}}(\lambda_2) \Delta \mu_y(\lambda_1)}{\xi_{\text{HBR}}(\lambda_1) \xi_{\text{HBO}}(\lambda_2) - \xi_{\text{HBR}}(\lambda_2) \xi_{\text{HBO}}(\lambda_1)}
\]
